

# MAGNOLIA GAZETTE

7811 FRANKFORD AVE, PHILADELPHIA, PA • (215)-332-3300

## Donation Goal update

What a blessing! We received a generous donation from a local business and they have decided to cover the cost of Magnolia's center rent for the entire year of 2025! The Lord has shown us favor time and time again and we know He used this newest donation to encourage us and our volunteers to continue in the mission of planting hope and growing love in the lives of fearful mothers and their unborn children

# For unto us, a child is born

As you may be aware, We rely on the blessings we receive from our generous donors to serve the families here at Magnolia Women’s Center. If you are praying on which ministry to support this Christmas Season, please consider becoming a monthly donor to help us continue in our mission of helping people facing unplanned pregnancies. With your help, we can encourage mothers considering abortion to make a different choice with the support of our Center.
